CABIN INFORMATION PACK

is your trusted partner for premium portable cabin solutions.
Elevate your space with us!

Experience comfort on the go with Hireworx portable cabins. Whether you are seeking residential lodgings or temporary accommodation for an additional bedroom or sleepout, our cabins are perfect. Their versatility extends to events and extra office space, providing unmatched convenience and flexibility.

Introducing our portable cabin: a fully-insulated 4.8m x 2.4m sleepout equipped with a heat pump and a 32" Smart TV compatible with Netflix. It comfortably accommodates a queen bed and additional furniture like bedside tables, drawers, and a desk to create a separate living space.

GENERAL SPECIFICATION

SIZE	4.8m x 2.4m, comfortably accommodating a queen bed and additional furniture.
INSULATION	Fully insulated to exceed the NZ building code and healthy home standards.
FLOORING	Galvanized steel frame with plywood flooring and stylish Godfrey Hirst carpet tiles for comfort.
JOINERY	Double-glazed windows and door equipped with roller blinds.
COMPLIANCE	Built to meet relevant building codes and regulations for safety and structural integrity in different jurisdictions.

*Additional costs include a bond and delivery fees.

FREQUENTLY ASKED QUESTIONS

Do you provide WINZ quotes?

A: Yes, we have a longstanding relationship with WINZ and are a preferred and approved supplier to the government.

Are your cabins insulated?

A: Absolutely! Our cabins are fully insulated, exceeding the NZ building code and healthy home standards. This ensures optimal comfort and energy efficiency regardless of the season.

Is there a delivery fee?

A: A \$450 delivery fee + GST covers delivery and collection, though it may vary by distance, so please verify with us. If a hiab is required, we will arrange a quote from a local company.

Is there a minimum rental period?

A: Yes, we offer three flexible rental contracts for your convenience: 3 months, 6 months, and our most popular option, 12 months. Please note that these are fixed contracted period & early termination charges will apply if the contract is broken.

How quickly can you deliver?

A: We can typically arrange delivery as soon as the next business day, though we recommend allowing up to 72 hours in case a hiab is required and not immediately available.

Judy Aitken

Great service and the price is awesome for the size and it comes with heat pump and a TV!

Allan Batchelor

Had a cabin for 2 years was a perfect room for an extra family member at the home. Great service and very easy to communicate with. Tidy warm cabins at a good price. Would definitely recommend.

Clyviena Tai

The cabin is good, the tv works mean as and also the AC is pretty powerful definitely recommend
